7. [Revised Talking Points Handouts for Southwest Florida](#)
8. [In-kind Services Contribution](#) - Quarterly
9. Next Meeting Scheduled for September 18, 2014
10. Florida website: www.solarreadyflorida.com
11. Adjournment

Solar Ready II Project

SWFRPC is one of the nine regional councils working with the National Association of Regional Councils on the U.S. Department of Energy SunShot Initiative Rooftop Solar Challenge award. This project is intended to promote solar best management practices and implement more streamlined and standardized solar installation processes. This project is anticipated to result in a reduction of solar market barriers, fewer soft costs and a more streamlined and standardized process for solar energy implementation options. SWFRPC staff will report activities underway to develop enhanced engagement and implementation of best management practices, training curricula for solar infrastructure installation, and strategies for improved permitting and adoption.

Two or more members of the Southwest Florida Regional Planning Council may be in attendance and may discuss matters that could come before the Southwest Florida Regional Planning Council, respectively, for consideration.

MEETING NOTICE
