Solar Ready Florida/Solar Ready II

The Tampa Bay Regional Planning Council and the Southwest Florida Regional Planning Council have partnered with the National Association of Regional Councils, the Mid-America Regional Council, Meister Consultants Group, the Council of State Governments and seven other regional councils on the U.S. Department of Energy SunShot Initiative Rooftop Solar Challenge. Nationally, this project will ultimately achieve measurable improvements in solar market conditions, will engage the public through online consumer market research panels, and will provide new solar market access for people across the U.S.
